UNFINISHED BUSINESS

Discussion Regarding Proposed Statutory Revisions

Mr. Elder advised the Committee that he had some concerns regarding the practice provisions, and expressed that he did not want to inadvertently limit services to families who are seeking services. He reported that CADC's are trained to provide some therapies that may fall under the definition of family therapy.

The Committee reviewed and discussed the two drafts, one which addresses practice protection, and the second, which does not address practice protection, but addresses the Board's other concerns. Dr. Northey provided the Committee with a brief synopsis of the reasoning behind the proposal.

Mr. Cooper moved, seconded by Mr. Elder, to send the draft bill that addresses practice protection to the Board for consideration. Motion unanimously carried.
